1. Please provide your views on the Procedure Change Proposal, including any objections or suggested revisions:

Community supports the Further Amendments proposed by Alinta as amended by System Management on the grounds that they target consultation at the affected parties and avoid unnecessary administration and costs.

2. Please provide an assessment whether the Procedure Change Proposal is consistent with the Market Objectives and the Wholesale Electricity Market Amending Rules.

Community considers the proposal to be consistent with all the Market Objectives.

3. Please indicate if the Procedure Change Proposal will have any implications for your organisation (for example changes to your IT or business systems) and any costs involved in implementing these changes.

The proposal has no implications for Community.

4. Please indicate the time required for your organisation to implement the changes, should they be accepted as proposed.
